1. Minutes of the 117th meeting were read and approved as corrected.
2. Another discussion was held on the method of treating "areas suitable for possible airfield sites" and also "anchoragees."
3. Major Battles suggested that, prior to the publishing of JANIS studies, a list of questions be prepared which might be answerable by photo reconnaissance and ground information.
4. Col. Bicknell indicated that JANIS 78 would be increased from 1520 to 2000 copies.
5. The matter of storage facilities was again discussed and Major Battles reported that he was unsuccessful in his attempt to obtain any storage space. Captain Macomb will make a further check on this situation.
6. Lt. Cdr. Clinton reported that JANIS 76 was complete except Chapter XV, Gazetteer, which will be ready about the 13 of December, thus completing JANIS 76. Chinese characters will not be used since there is not sufficient time to permit the inclusion of these characters. Lt. Cdr. Clinton also reported that JANIS 78 is progressing satisfactorily.
7. Lt. Van Rees reported on the progress of JANIS 85 and 76 for the Production Section.
8. Lt. Quam gave a general report for the Plans Section.

There being no further business the meeting was adjourned.
